- 14) Are you in favor of the adoption of Amendment #14 to the Land Use Plan, as proposed by the Planning Board, which changes lot sizes in the Rural Districts WITH Town Water from 60,000 square feet to 65,340 square feet (1.5 acres), 150' frontage, 60' front setback?

Yes - 702 No - 537

- 15) Are you in favor of the adoption of Amendment #15 to the Land Use Plan, as proposed by the Planning Board, which states that in an Open Space Development Plan (OSDP) if the lots are served by community sewerage disposal systems, lot sizes in the Residence A and Residence B Districts shall be the same as lots in those districts which are served by Town Sewer (20,000 square feet)?

Yes - 848 No - 361

Recessed until March 17th, 2001, at 9:00 a.m.

The hour of 9:00 a.m. having arrived, the Town Moderator, Marc P. Tieger, reconvened the Annual Town Meeting of Jaffrey.

The Pledge of Allegiance was led by the Boy Scouts from Troop 33, after which Mr. Tieger asked everyone to remain standing as he read the following:

"We come together as we do each time this year to consider the recommendations of our municipal officials. We will listen and we will debate, exchange ideas, ask questions and receive answers; disagree, argue, agree and finally vote in what has been called the last, best remaining example of pure grass roots democracy – long may it continue. We will have done all this because we care about this town, each in her or his own way, but each with a common desire to leave what we have found a little better for future generations.

We also come together as a community that has experienced an amazing spectrum of emotions during the past several weeks. We share the elation of our Conant High School State Championship Basketball Team and we are so proud of our young athletes. As a community we mourn the tragedies that we have experienced and even as we struggle to understand we realize that to some questions there are simply no answers.

And yet we go on, as generations have before us, feeling privileged to reside here in this wonderful town, sharing the joy and the pain of our neighbors and friends; each with our own thoughts and resolving to persevere, knowing that this too shall pass.

To everything there is a season. This, then, is our season of reflection as as each of us in our own way, is alone for a few brief moments with our own thoughts... Thank you."

Mr. Tieger went over the basic ground rules of how he moderates his meeting.

Mr. Tieger then asked all those who were on various Boards and departments for the Town to stand to be recognized.

Mr. Tieger then introduced the mike handlers, the Department Heads, Board of Selectmen, Town Manager, Town Clerk and Budget Committee Chairman.

The Chairman of the Board of Selectmen, Richard Olson, was recognized to speak. Mr. Olson read the following resolution:

"Whereas, the turning of the millennium was a unique experience and one in which to celebrate the wonder of life; and,

Whereas, the residents of Jaffrey enjoyed a remarkable event on September 23, 2000, known as the Millennium Celebration, which included a parade, International Celebration, and chicken barbecue; and,

Whereas, this event brought forth great town pride and developed a community spirit that will be remembered for many years to come; and,

Whereas, this event was organized and carried out by volunteers from our community; and,

Whereas, the tireless efforts of Marc Tieger and Stephen Pelkey as co-chairmen of the Millennium Celebration are to be recognized;

Now, Therefore, on behalf of this Town Meeting convened, Jaffrey's Board of Selectmen proclaim their sincere appreciation to Marc Tieger and Stephen Pelkey for their efforts in organizing Jaffrey's Millennium Celebration."

The resolutions were accepted by acclamation.

Mr. Tieger then stated that the warrant had been posted at the Jaffrey Public Library, the Jaffrey Post Office, and the Town Offices. He moved that we waive the reading of the warrant in its entirety, and it was seconded to do so.

Mr. Tieger then read the results of Articles 1 and 2, which were on the Official Ballot from the Tuesday elections.

Art 3. That all reports submitted by Town Officers be accepted as read and as printed in the Town Report.

So moved and seconded. With no discussion the article was moved to vote.

Are you in favor of the adoption of Amendment #5 to the Land Use Plan as proposed by the Planning Board, as follows: All industrial, commercial and residential construction shall conform in all respects to the requirements of the current edition of the BOCA National Building Code in effect at the time the required permit for construction is issued?

Yes No

6. Are you in favor of the following change in the Jaffrey Land Use Plan as proposed by petition: "All housing standards, (as stated in) RSA 48-A, 1-III; will be allowed in a rural area. All dwellings are created equal in the rural area?" The Planning Board does not recommend this article.

Yes No

Art 3. That all reports submitted by Town Officers be accepted as read and as printed in the Town Report.

Art. 4. To see if the Town will vote to approve the cost items included in the collective bargaining agreement reached between the Town and the Police union, AFSCME local 3657 that calls for the following increases in salaries and benefits, this amount is included in Article 8:

Year	Estimated Increase in Cost Items
2002	\$45,304

Art. 5. Shall Jaffrey, if Article 4 is defeated, authorize the governing body to call one special meeting, at its option, to address Article 4 cost items only?

Art. 6. To see if the Town will vote to approve the cost items included in the collective bargaining agreement reached between the Town and the Public Works union, AFSCME local 2973 that calls for the following decrease in salaries and benefits, this amount is included in Article 8:

Year	Estimated Increase in Cost Items
2002	\$-35,828

Art. 7. Shall Jaffrey, if Article 6 is defeated, authorize the governing body to call one special meeting, at its option, to address Article 6 cost items only?

Art. 8. To see if the Town will vote to raise and appropriate the sum of \$5,181,806 for the purpose of defraying the cost of the town's operating expenses for the year 2002. Recommended by the Selectmen and the Budget Committee.

Art. 9. To see if the Town will vote to raise and appropriate the sum of \$25,000, and to deposit said sum into the capital reserve fund established in 1997 under RSA 35:1, for the purpose of purchasing new or refurbishing existing highway equipment. Recommended by the Selectmen and the Budget Committee.

Art. 10. To see if the Town will vote to authorize the Selectmen to enter into a seven year lease agreement for the purpose of leasing a street sweeper, and to raise and appropriate the sum of \$22,000 for the first year's payment on said lease. This lease agreement contains an escape clause. Recommended by the Selectmen and Budget Committee.

Art. 11. To see if the Town will vote to raise and appropriate the sum of \$57,000 to purchase a new front-end loader mounted snowblower for snow removal. Recommended by the Selectmen and Budget Committee.

Art. 12. To see if the Town will vote to raise and appropriate the sum of \$7,500 to support the VFW Ambulance Service. Recommended by the Selectmen and the Budget Committee.

Art. 13. To see if the Town will vote to raise and appropriate the sum of \$2,500, and to deposit said sum into the Gravestone Restoration Trust Fund created in 2000. Recommended by the Selectmen and the Budget Committee.

Art. 14. To see if the Town will vote to raise and appropriate the sum of \$2,500 to be deposited into the Town Clock Trust Fund established in 1998. Recommended by the Selectmen and the Budget Committee.

Art. 15. To see if the Town will vote to establish a capital reserve fund, under RSA 35:1, for the purpose of a town-wide property revaluation, and to vote to raise and appropriate the sum of \$50,000 to place in said fund, and to vote to designate the Selectmen as agents to expend these funds. Recommended by the Selectmen and Budget Committee.

Art. 16. To see if the Town will vote to raise and appropriate the sum of \$15,000 to purchase a portion of property adjoining the Contoocook Lake Beach. The property to be purchased is currently owned by Tonya Albee. Recommended by the Selectmen and Budget Committee.

Art. 17. To see if the Town will vote to accept the revised Downtown Tax Increment Finance District Financing Plan.

Art. 18. To see if the Town will vote to sell and purchase land from three separate landowners along Hadley Road and Old Sharon Road in order to complete the construction of the new bridge which was approved by the 2001 Town Meeting.

Art. 19. To see if the Town will vote to rescind bonding authority as approved by a 1996 warrant article for the purpose of designing an upgrade to the wastewater facility. \$400,000 was approved by the 1996 article, of that amount, \$160,482.69 is unused and can be rescinded.

Art. 20. Are you in favor of maintaining a Full-time Fire Chief at a total cost of \$59,000 per year? Presumably, to enforce Unfunded State Mandates under the guise of safety. Submitted by Petition.

Art. 21. To see if the Town will vote to raise and appropriate the sum of \$25,000, and to deposit said sum into the capital reserve fund established in 1996 under RSA 35:1, for the purpose of purchasing new or refurbishing existing firefighting and/or rescue equipment. Submitted by Petition. Not recommended by the Selectmen; recommended by the Budget Committee.

Art. 22. To see if the Town will vote to raise and appropriate the sum of \$5,000 for the support of the Monadnock Community Day Care Center. Submitted by Petition. Recommended by the Selectmen and the Budget Committee.

Art. 23. To see if the Town will vote to raise and appropriate the sum of \$6,845 to support Monadnock Family Services. Submitted by Petition. Recommended by the Selectmen and the Budget Committee.

Art. 24. To see if the Town will vote to raise and appropriate the sum of \$17,000 to support Home Health Care and Community Services to support the continuance of home and health services being provided to the residents of Jaffrey. Submitted by Petition. Recommended by the Selectmen and the Budget Committee.

Art. 25. To see if the Town will vote to raise and appropriate the sum of \$5,000 to help support the work of The Community Kitchen, Inc. or to act in any way related thereto. Submitted by Petition. Recommended by the Selectmen and the Budget Committee.

Art. 26. To see if the Town will vote to raise and appropriate the sum of \$1,875 to help support Southwestern Community Services, Inc. Submitted by Petition. Recommended by the Selectmen and the Budget Committee.

Art. 27. To see if the Town will vote to change that portion of Thorndike Pond Road, formerly Slade Road, from a designated scenic Class V road to an undesignated Class V road. Submitted by petition.

Art. 28. To see if the Town will vote to accept Carriage Hill Drive, as shown on plan entitled "Carriage Hill Drive Subdivision of Land in Jaffrey, NH", approved by the Planning Board on June 11, 1991 and recorded in Volume 1363, Page 29, at the Cheshire County Registry of Deeds, as a Class V public road. Submitted by petition.

Art. 29. To take up any other business which may come legally before this meeting.

Given under our hands in the Town of Jaffrey, this 11th day of February 2002.

**STATE OF NEW HAMPSHIRE
TOWN OF JAFFREY
ANNUAL TOWN MEETING WARRANT
2002**

Elections – March 12, 2002 (8:00 a.m. to 7:00 p.m.)

Business Meeting – March 16, 2002 (9:00 a.m.)

LAYMAN'S WARRANT

TO: The inhabitants of the Town of Jaffrey, in the County of Cheshire, in the State of New Hampshire, qualified to vote in Town affairs:

You are hereby notified to meet at the Ernest J. Pratt Auditorium in said Jaffrey on Tuesday, the 12th of March, 2002 at eight o'clock in the forenoon (polls close at 7:00 p.m.) to vote for the town officers and to act on other questions as required by law to be decided by official ballot. Pursuant to RSA 39:2a and the vote of the Town at the adjourned session of Town Meeting on March 13, 1979 and the Town Meeting on March 13, 1993, the business portion of the meeting will be recessed until nine o'clock in the forenoon, Saturday, March 16th, 2002, at which time the Town will act on all subjects described in the following Warrant Articles except those requiring action by official ballot:

LAYMAN'S LANGUAGE: Please come to Pratt Auditorium between 8 a.m. and 7:00 p.m. on Tuesday, March 12, 2002 to vote for the officers listed in Article 1, and the questions as listed in Article 2. Then on Saturday, the 16th at 9:00 a.m., please return to Pratt Auditorium for the business portion of the meeting.

Art. 1. To choose the following Town Officers: (by Official Ballot)

Moderator – one person for two-year term
Selectman - one person for three-year term
Selectman – one person for two-year term
Trustee of Trust Funds - one person for three-year term
Town Clerk – one person for three-year term
Treasurer – one person for three-year term
Library Trustee - one person for three-year term
Supervisor of the Checklist – one person for six-year term

Art. 2. To see if the Town will vote to adopt the following amendments to the Jaffrey Zoning Ordinance, as prepared by the Jaffrey Planning Board, and as submitted by petition, to be voted on by Official Ballot: (The exact text, and related material, of each of these proposed changes is available at the Town Clerk's office and at the polling place.)

1. Are you in favor of the adoption of Amendment #1 to the Land Use Plan as proposed by the Planning Board, as follows: Moderating provisions for building setbacks and off-street parking in the Main Street Program Area to align, where possible, the ordinance with existing buildings?

LAYMAN'S LANGUAGE: Proposed by Team Jaffrey. This amendment would bring plot and setback requirements into conformity with what has existed downtown for many years.

2. Are you in favor of the adoption of Amendment #2 to the Land Use Plan as proposed by the Planning Board which replaces present provisions for Personal Wireless Facilities (Cell Towers) with an updated text, as proposed by the Planning Board?

LAYMAN'S LANGUAGE: This is an update with clearer wording and slightly revised procedures as needed to protect scenic views and to conform with state requirements.

3. Are you in favor of the adoption of Amendment #3 to the Land Use Plan as proposed by the Planning Board which is an editing update and revised description of the Jaffrey's Zoning Districts?

LAYMAN'S LANGUAGE: This is a housekeeping amendment to clear up some outdated descriptions and eliminate some confusing wording. This amendment does not change any zoning district boundaries.

4. Are you in favor of the adoption of Amendment #4 to the Land Use Plan as proposed by the Planning Board, as follows: Add to Section 14.7, Signs Requiring Permits, the following: For restaurants with 'drive-thru' windows one menu board provided that the information side is not visible from the street and any lighting of the sign is turned off when the restaurant is closed?

LAYMAN'S LANGUAGE: This would provide easy access by customers to needed information.

5. Are you in favor of the adoption of Amendment #5 to the Land Use Plan as proposed by the Planning Board, as follows: All industrial, commercial and residential construction shall conform in all respects to the requirements of the current edition of the BOCA National Building Code in effect at the time the required permit for construction is issued?

LAYMAN'S LANGUAGE: Already in effect for multi-family, commercial and industrial construction, this change would make BOCA also apply to single and two-family construction. These provisions would insure greater safety for residents on new construction and affords the potential for reduced insurance rates for new construction. The Building Inspector advises that this change would not increase his workload.

6. Are you in favor of the following change in the Jaffrey Land Use Plan as proposed by petition: "All housing standards, (as stated in) RSA 48-A; 1-III, will be allowed in a rural area. All dwellings are created equal in the rural area?" The Planning Board does not recommend this article.

LAYMAN'S LANGUAGE: This amendment refers to a 1965 RSA which lists housing types, but the amendment does not state what the RSA says. RSA 48-a-1-111 reads "Dwelling shall mean any building, structure, trailer, mobile home or camp or part

thereof, used and occupied for human habitation or intended to be so used and includes any appurtenances belonging thereto or usually enjoyed there-with.

Art 3. That all reports submitted by Town Officers be accepted as read and as printed in the Town Report.

LAYMAN’S LANGUAGE: The purpose of this article is simply to accept all reports as printed in the Town Report, and to take the opportunity to discuss them if anyone has a question.

Art. 4. To see if the Town will vote to approve the cost items included in the collective bargaining agreement reached between the Town and the Police union, AFSCME local 3657 that calls for the following increases in salaries and benefits, this amount is included in Article 8:

<u>Year</u>	<u>Estimated Increase in Cost Items</u>
2002	\$45,304

LAYMAN’S LANGUAGE: This article allows for the continuation of the contract as agreed to by the Town and the Police Union, and the payment of the cost items included therein.

Art. 5. Shall Jaffrey, if Article 4 is defeated, authorize the governing body to call one special meeting, at its option, to address Article 4 cost items only?

LAYMAN’S LANGUAGE: This article is a new requirement by law which allows the Town to delegate the authority to the Selectmen to call one special town meeting to reconsider Article 4 should it fail. If Article 4 passes, then this article is passed over.

Art. 6. To see if the Town will vote to approve the cost items included in the collective bargaining agreement reached between the Town and the Public Works union, AFSCME local 2973 that calls for the following decrease in salaries and benefits, this amount is included in Article 8:

<u>Year</u>	<u>Estimated Increase in Cost Items</u>
2002	\$-35,828

LAYMAN’S LANGUAGE: This article allows for the continuation of the contract as agreed to by the Town and the Public Works Union, and the payment of the cost items included therein.

Art. 7. Shall Jaffrey, if Article 6 is defeated, authorize the governing body to call one special meeting, at its option, to address Article 6 cost items only?

LAYMAN’S LANGUAGE: This article is a new requirement by law which allows the Town to delegate the authority to the Selectmen to call one special town meeting to reconsider Article 6 should it fail. If Article 6 passes, then this article is passed over.

Art. 8. To see if the Town will vote to raise and appropriate the sum of \$5,181,806 for the purpose of defraying the cost of the town’s operating expenses for the year 2002. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: This is the article which provides the funds necessary to operate the Town on an annual basis. This includes all salaries, maintenance, supplies and programs which are funded and operated by the Town.

Art. 9. To see if the Town will vote to raise and appropriate the sum of \$25,000, and to deposit said sum into the capital reserve fund established in 1997 under RSA 35:1, for the purpose of purchasing new or refurbishing existing highway equipment. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: There is approximately \$50,000 in this fund now. It is our goal to bring this fund up to at least \$150,000 to help offset the cost of expensive equipment such as a grader, loader, or ten-wheel dump truck.

Art. 10. To see if the Town will vote to authorize the Selectmen to enter into a seven year lease agreement for the purpose of leasing a street sweeper, and to raise and appropriate the sum of \$22,000 for the first year's payment on said lease. This lease agreement contains an escape clause. Recommended by the Selectmen and Budget Committee.

LAYMAN'S LANGUAGE: The cost of new equipment is very high. The lease option here provides a means to obtain a street sweeper, but not to pay the full cost of it (approximately \$128,000) this year, rather to spread the cost over the next seven years. Unlike private leases for vehicles, this does not have a mileage restriction and we can own the vehicle for \$1 at the end of the lease or we can purchase it prior to the expiration of the lease with no pre-payment penalties. Furthermore, if at any time during the lease, the Town wishes to end the lease, we have an escape clause with no penalties.

Art. 11. To see if the Town will vote to raise and appropriate the sum of \$57,000 to purchase a new front-end loader mounted snowblower for snow removal. Recommended by the Selectmen and Budget Committee.

LAYMAN'S LANGUAGE: This purchase is to replace a piece of equipment which dates back to 1975. It is used primarily in the downtown area to remove snow after a storm, but can be used throughout the town during heavy snowstorms.

Art. 12. To see if the Town will vote to raise and appropriate the sum of \$7,500 to support the VFW Ambulance Service. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: This article is an annual request of the Town in order to make donation to the VFW Ambulance Service which provides an incredible service to all the residents of Jaffrey and Rindge at NO charge.

Art. 13. To see if the Town will vote to raise and appropriate the sum of \$2,500, and to deposit said sum into the Gravestone Restoration Trust Fund created in 2000. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: Due to the continuing battle the Town has with vandals in the town's cemeteries, our Cemetery Committee has recommended a separate trust fund to be established for the restoration and replacement of gravestones. We want the Town to

be aware of the criminal acts some people choose to perform without regard to the privacy of others. Also, beyond the vandalism there is a need to replace some gravestones which have worn out over the years.

Art. 14. To see if the Town will vote to raise and appropriate the sum of \$2,500 to be deposited into the Town Clock Trust Fund established in 1998. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: The clock in the Woman's Club building has required many repairs lately, and will undoubtedly need some major overhaul in the near future.

Art. 15. To see if the Town will vote to establish a capital reserve fund, under RSA 35:1, for the purpose of a town-wide property revaluation, and to vote to raise and appropriate the sum of \$50,000 to place in said fund, and to vote to designate the Selectmen as agents to expend these funds. Recommended by the Selectmen and Budget Committee.

LAYMAN'S LANGUAGE: Under the new law regarding property values, the State has set up a system whereby each town or city in the state will have its property values "certified" by the state. Jaffrey is scheduled for this certification in 2005. It is our goal to have a revaluation conducted in 2004, thereby getting the town's values in line prior to the certification in 2005. The estimated total cost for this revaluation is \$160,000-\$170,000.

Art. 16. To see if the Town will vote to raise and appropriate the sum of \$15,000 to purchase a portion of property adjoining the Contoocook Lake Beach. The property to be purchased is currently owned by Tonya Albee. Recommended by the Selectmen and Budget Committee.

LAYMAN'S LANGUAGE: This is a piece of property we have been looking to purchase for a number of years. It abuts the westerly side of Contoocook Lake Beach and would make a great place to provide picnic facilities and volleyball courts or similar type facilities.

Art. 17. To see if the Town will vote to accept the revised Downtown Tax Increment Finance District Financing Plan.

LAYMAN'S LANGUAGE: In 1999, the Town voted to establish two tax increment finance districts (TIFDs). The Downtown TIFD was introduced with an initial three-year finance plan primarily to support TEAM Jaffrey in its role in administering our Main Street program. This has succeeded by all accounts, and the revised finance plan will continue with that same emphasis. Any extra monies to be collected in the future from the Downtown TIFD will be used for infrastructure improvements in the Downtown area.

Art. 18. To see if the Town will vote to sell and purchase land from three separate landowners along Hadley Road and Old Sharon Road in order to complete the construction of the new bridge which was approved by the 2001 Town Meeting.

LAYMAN'S LANGUAGE: Last year the Town approved a bond to build a new bridge across the Contoocook River at Pierce Crossing Road/Hadley Road intersection. In

order to all for the complete construction and new road alignments, the Town needs to purchase a small amount of land from one landowner, and swap land with two other landowners.

Art. 19. To see if the Town will vote to rescind bonding authority as approved by a 1996 warrant article for the purpose of designing an upgrade to the wastewater facility. \$400,000 was approved by the 1996 article, of that amount, \$160,482.69 is unused and can be rescinded.

LAYMAN'S LANGUAGE: You may recall a Special Town Meeting that was held in June 1996 which had the purpose of authorizing a bond to begin our preliminary design to upgrade our wastewater facility based upon an order from the State of NH. That design was commenced immediately after the bond was approved in 1996. You may also recall that in 2001 we authorized a bond for \$3.75 million to conduct final design and construction of the facility. The unspent portion of the 1996 bond has been superseded by the 2001 bond and can be rescinded.

Art. 20. Are you in favor of maintaining a Full-time Fire Chief at a total cost of \$59,000 per year? Presumably, to enforce Unfunded State Mandates under the guise of safety. Submitted by Petition.

LAYMAN'S LANGUAGE: The Selectmen are very much in favor of a "yes" vote on this article. The full-time Fire Chief position has enhanced the Fire Department's ability to prevent fires, and provide a full-time responder to any fire or ambulance call within the Town of Jaffrey.

Art. 21. To see if the Town will vote to raise and appropriate the sum of \$25,000, and to deposit said sum into the capital reserve fund established in 1996 under RSA 35:1, for the purpose of purchasing new or refurbishing existing firefighting and/or rescue equipment. Submitted by Petition. Not recommended by the Selectmen; recommended by the Budget Committee.

LAYMAN'S LANGUAGE: While the notion of this Capital Reserve Fund is something the Selectmen support, and actually initiated in 1996, we feel there are sufficient funds in the CRF now, (approximately \$150,000), and there are other pressing concerns within the Town. This was one area where the Selectmen felt we could hold off on appropriating money in 2002.

Art. 22. To see if the Town will vote to raise and appropriate the sum of \$5,000 for the support of the Monadnock Community Day Care Center. Submitted by Petition. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: This is a petition article which is sent to the Town every year to support the non-profit Day Care Center. Many Jaffrey children attend this Center and it provides a benefit to the Community.

Art. 23. To see if the Town will vote to raise and appropriate the sum of \$6,845 to support Monadnock Family Services. Submitted by Petition. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: Again, this is a petition article which we receive every year. MFS provides many services to the residents of Jaffrey and entire Monadnock Region, and it is seen as a benefit to the community.

Art. 24. To see if the Town will vote to raise and appropriate the sum of \$17,000 to support Home Health Care and Community Services to support the continuance of home and health services being provided to the residents of Jaffrey. Submitted by Petition. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: Another petition article which we receive annually and which provides a community benefit to the residents of Jaffrey and the Region.

Art. 25. To see if the Town will vote to raise and appropriate the sum of \$5,000 to help support the work of The Community Kitchen, Inc. or to act in any way related thereto. Submitted by Petition. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: This is another petition article for support of a local charity.

Art. 26. To see if the Town will vote to raise and appropriate the sum of \$1,875 to help support Southwestern Community Services, Inc. Submitted by Petition. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: Southwest Community Services provides a number of services in Jaffrey, including the Headstart Program, and housing for lower income families.

Art. 27. To see if the Town will vote to change that portion of Thorndike Pond Road, formerly Slade Road, from a designated scenic Class V road to an undesignated Class V road. Submitted by petition.

LAYMAN'S LANGUAGE: A scenic road prevents the state, the town or a utility company from cutting trees greater than 15 inches in circumference at a point 4 feet above the ground; nor may any of these entities tear down a stonewall, except with written consent from the planning board after a public hearing.

Art. 28. To see if the Town will vote to accept Carriage Hill Drive, as shown on plan entitled "Carriage Hill Drive Subdivision of Land in Jaffrey, NH", approved by the Planning Board on June 11, 1991 and recorded in Volume 1363, Page 29, at the Cheshire County Registry of Deeds, as a Class V public road. Submitted by petition.

LAYMAN'S LANGUAGE: Carriage Hill Drive is located off Howard Hill Road.

Art. 29. To take up any other business which may come legally before this meeting.

Given under our hands in the Town of Jaffrey, this 11th day of February 2002.

INDEPENDENT AUDITOR'S REPORT

To the Members of the
Board of Selectmen
Town of Jaffrey
Jaffrey, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Jaffrey as of and for the year ended December 31, 2000 as listed in the table of contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with generally accepted accounting principles. As is the case with most municipal entities in the State of New Hampshire, the Town of Jaffrey has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Jaffrey as of December 31, 2000, and the results of its operations and the cash flows of its proprietary fund types and similar trust funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements of the Town of Jaffrey taken as a whole. The combining and individual fund financial statements listed as schedules in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Jaffrey. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

REPORT OF THE ALICE POOLE FUND COMMITTEE

During the year 2001, we made contributions to the VFW memorial Ambulance Service, Jaffrey Fire Department, Jaffrey Women's Club Dental Program, Monadnock Community Day Care Center, Jaffrey Food Pantry, and T.E.A.M. Jaffrey.

We sponsored several young children to attend summer camp through the Jaffrey Recreation Department, and we approved one student loan.

We continue to purchase magazine subscriptions for the Good Shepherd Nursing Home and provide small gifts to local residents living there. Many of the elderly Jaffrey residents were remembered with small gifts, usually in the form of gas cards and small checks.

Gift certificates for food orders were purchased from Hannafords, and certificates for clothing were purchased from Wal-Mart. The certificates were distributed during the Holiday Season and at other times during the year.

As usual, the Alice Poole Fund Committee continues to spend all of the interest received from the Alice Poole Fund in accordance with the will of Alice Poole.

We feel that we have had a very busy and rewarding year.

Respectfully submitted,

REPORTS

**BOARDS, COMMISSIONS,
AND COMMITTEES**

REPORT OF THE BOARD OF SELECTMEN

This year, our Board underwent a change midstream in our members. Richard Olson stepped down due to changes in his work schedule. Dick was a very hard-working, dedicated Selectman, so we knew finding an interim Selectman to fill his shoes would be tough. We thank you, Dick, for all your hard work! Frank Sterling accepted the position for the remainder of the year. Frank is a past Selectman, so he easily got up to speed. We are grateful for his willingness to serve Jaffrey. Thank you Frank!

We are still upgrading our sewer system per order of the Department of Environmental Services/Environmental Protection Agency. As we all know, it is an expensive project, so we are pleased to announce that Jaffrey was able to secure \$1-million in federal money towards our compliance upgrade costs. We are continually seeking any kind of funds to help pay for these mandates. The water mains on Nutting Road were replaced this past summer as part of our ongoing water main upgrades.

This year, we have seen positive results in the Police Department from the pay and benefits package we put into place. Officer retention has improved dramatically. While this Board is committed to providing the Jaffrey Police Department the proper tools and support they need to effectively and safely provide police services to our town, this Board is also committed to providing Jaffrey's citizens with a Police Department that is reflective of the small-town life we all enjoy in our community. This year ahead, we will be working very hard on improving Police and community relations.

We attended the Regional Selectmen's meetings to help keep us attuned to what is happening in towns around us. The cost of solid waste disposal has been a growing concern in every town these days. After researching the best and fairest way to address the rising costs of solid waste disposal, we are proposing the "pay-as-you-throw" system for this year.

Jaffrey's Budget Committee again has gone over the proposed budget for 2002 line-by-line, and together we were able to hold the increase to 2.96% of the tax rate. Even with switching the Town's employee health care provider this year to lower the cost, we still saw a 16% increase in this area.

Our Tax Increment Finance Districts (TIFDs) are working well for Jaffrey. The Downtown TIFD is helping to fund our Main Street program and the numerous projects being worked on. The Stone Arch Bridge TIFD will be paying for the bond on the new bridge at Pierce Crossing Road that will be constructed this coming Summer.

2001 was the first year for Jaffrey to have a full-time Fire Chief. Chief White has worked very hard with much success to update Jaffrey's fire safety and prevention while maintaining one of the area's premier fire departments.

Jaffrey has seen many volunteers give so much to our town. All the main boards, committees, task forces, along with private citizens, businesses, churches, and organizations too numerous to list here have worked tirelessly. Jaffrey's hard-working staff, under the leadership of Town Manager Jon Sistare, coupled with the spirit of these volunteer efforts make Jaffrey the community we know and love. Thank you everyone!

The tragic events of this past September struck at the very heart of our country and, therefore, was felt right here in our town. Communities such as ours make up the heart of our country. Let us reflect on just how fortunate we are to live in Jaffrey and to enjoy this quality of life. Our VFW Ambulance Service and the Jaffrey Fire and Police Departments provide us with the very best help and security anywhere. September 11, 2001, makes us all aware that we must never take them for granted.

May God bless Jaffrey, New Hampshire

REPORT OF THE CEMETERY COMMITTEE

The Cemetery Committee was established in 1991 to advise the Town on the operation, maintenance, and preservation of Jaffrey's public cemeteries: Conant Cemetery, the Old Burying Ground, Cutter Cemetery, Phillips-Heil Cemetery, and the Village (Baptist) Cemetery. It is composed of representatives of the local chapters of the American Legion and Veterans of Foreign Wars, the Historical Society, Courmoyer Funeral Home, the Board of Selectmen, and three appointed Members at Large.

During 2001, the Committee met several times with Town staff to discuss operation, budget, and maintenance issues.

The three most recent projects that the Committee has addressed include the reconstruction of the Cutter Tomb at the Cutter Cemetery, the conservation of the fence around John Conant's grave at Conant Cemetery, and the continuing restoration work at the Village Cemetery.

The stone Cutter Tomb on the Harkness Road edge of Cutter Cemetery was professionally rebuilt to correct the settlement and damage occurring over many years caused by tree roots and water infiltration and the freeze/thaw cycle. This involved resetting and back mortaring most of the large granite face stones.

Volunteers have put in many hours conserving the fence and gates at John Conant's grave in the Conant Cemetery. This has involved much scraping of rust and repainting. This project, spearheaded by Leslie Searles, will continue during 2002.

Work at the Village Cemetery was undertaken over several months largely by volunteers including Randy and Mark Courmoyer, Rob Stephenson, and Mary Payson. For some years, broken headstones were stored at the Jaffrey Mills, while some had been repaired and reset in the Cemetery. Because of the expected sale of the Mills, it became necessary to remove those stones remaining. Many were small fragments which could not be identified. Sixty-nine fragments were documented, photographed, and placed in clear plastic bags, which in turn were placed in a concrete burial vault that was set in the ground by the Department of Public Works fifteen feet northeast of the memorial rock near the Cemetery entrance. Twenty-six markers, although damaged or missing pieces, were reset in the Cemetery. All were documented and photographed. In addition, sixteen markers at the Cemetery that were either leaning or lying on the ground were straightened or reset. Three markers are awaiting restoration by volunteers; three markers will receive professional restoration and be reset in 2002; and two important markers, unfortunately broken and in multiple pieces, remain at the Mills and will probably be set horizontally on the ground in stonedust plots in 2002. At the moment, the condition of the Village Cemetery is as good as it's been in many years. Even long-term Jaffrey residents may be unaware of this historic burying ground, although it's close to the center of downtown, beside Turnpike Road and nearly in sight of the Post Office. The Committee is hopeful that additional work will be accomplished in 2002, including repairs to the Hearse House which stands at the entrance.

REPORT OF THE CONSERVATION COMMISSION

Jaffrey's Conservation Commission is an all-volunteer advisory board whose concerns center on the quality of air, water, and appropriate land stewardship in the town. The members are appointed by the Selectmen, and this year we are celebrating our 30th year as a board, having been established by a vote at Town Meeting in March 1972.

The Commission attends meetings of other Town boards in order to contribute information of relevance regarding land use issues, evaluates and makes recommendations to the Department of Environmental Services (DES), and makes site visits when subdivision applications may affect wetlands' functions.

Members of the Commission attended workshops on natural resources inventory methods and a ground water and aquatic habitat forum. We will be spending \$3,900 on a natural heritage inventory of two Town-owned parcels on Mount Monadnock.

Amber Deschenes and Noele Cloutier, two sixth graders from the Middle School, were sponsored by the Commission to attend a two-week summer camp in Keene. The program, called the *Ashuelot River Exploration Program*, led the participants in activities that help explain the natural functions of the river.

Lycott Environmental, Inc., was selected to treat the Contoocook River in June 2002 in order to get an invasive species of water plant (milfoil) under control. Milfoil has begun to choke the river by the Main Street bridge, and we have been asked to help with the problem.

The New Hampshire Environthon Program was financially supported. This program gives local high school students a chance to test their knowledge against their peers in the areas of water, soil, forestry, wildlife, and other areas of science.

A pond will be constructed on land in southwestern Jaffrey. Commission members met with DES officials to discuss the permitting process that is necessary when a home owner wants to construct a pond on his property.

The Conservation Fund has a \$14,100 balance. Over half of the money in the fund has come from a timber harvest in the Monadnock Town Forest and interest accumulated over time.

REPORT OF THE ECONOMIC DEVELOPMENT COUNCIL

Over the past year, the Town of Jaffrey has experienced first hand the effects of the downturn in the economy. Due to the consolidation by Plumb Pak and their relocation to Winchester, NH, the closure of Monadnock Screen Plate, the sale of Jaffrey Fire Protection, and the consolidation of the D.D.Bean operations, the Town currently has approximately 300,000 square feet of industrial space available for sale or lease. The Economic Development Council (EDC) has been active in trying to locate new occupants for these facilities that have become available. A feasibility study for the Jaffrey Mills was initiated in cooperation with Monadnock Business Ventures as a means to assist in determining the best potential uses for the Jaffrey Mills property. This study was undertaken due to the historic character of the Jaffrey Mills facility and the vital role it plays in the downtown area. The results of this study will be available the first part of 2002. Interest has been shown in all these properties and, hopefully, new tenants will be found during 2002.

On a positive note, 2001 has seen commercial space fill up as new retail businesses have opened up or expanded. Monadnock Plaza is now fully occupied, including the addition of Choppa's — the grocery store that Jaffrey has been seeking. The new Jaffrey/Peterborough District Courthouse facility at the Monadnock Plaza is under construction and is scheduled to open next Spring. The EDC hosted a ground breaking ceremony for the courthouse, and we look forward to its grand opening. In addition, the EDC is currently working with a major local employer on an expansion scheduled for 2002.

Various projects that the EDC has worked on over the past year include the following:

- ◆ The new bridge for the Stone Bridge Industrial Tax Increment Finance District (TIFD) — Construction bids are scheduled to go out in January 2002.
- ◆ A new finance plan for the continuation of the Downtown TIFD to assist in the support of T.E.A.M. Jaffrey.
- ◆ Two Community Development Block Grant (CDBG) feasibility studies. One study is addressing the deteriorating water lines in the Duval Cooperative Manufactured Housing Park, and the second study is analyzing the possibilities of establishing a community center in the vicinity of Blake Street. A Community Development Block Grant will be applied for in 2002 to implement the recommendations for the Duval Cooperative Manufactured Housing Park.
- ◆ An educational outreach program was presented to the residents of Jaffrey and Rindge on the current school facilities. The intent of this program was to assist in arriving at a solution acceptable to both communities relative to building a new school, as it is critical to attracting economic growth. These efforts were undertaken in coordination with the School Board and the Selectmen from each town.
- ◆ Joint meetings were held with the Peterborough Economic Development Council to explore common issues to both communities that we may work on together to find the most cost-effective solutions. Areas such as water and wastewater infrastructure, telecommunications, transportation, planning, and environmental issues are examples of concerns common to both communities.
- ◆ Initiation of a "visioning" program is to be undertaken in 2002 for downtown Jaffrey. This program is being done in coordination with the Planning Board, the Jaffrey Chamber of Commerce, and T.E.A.M. Jaffrey. The visioning process will focus on the downtown area of Jaffrey with the purpose of establishing new goals for the future of Jaffrey. A similar program — "Community Stewardship" — was conducted in the late 1980s and proved to be very successful.

The Economic Development Council look forward to the coming year and the challenges it will present as we continue ongoing projects and initiate new endeavors to help sustain Jaffrey's economic growth.

REPORT OF THE HISTORIC DISTRICT COMMISSION

The Jaffrey Historic District Commission was established by the citizens in 1969 to safeguard the heritage of Jaffrey Center by: (a) preserving a district that reflects elements of its cultural, social, economic, political, and architectural history; (b) conserving property values in the district; (c) fostering civic beauty; and (d) promoting the use of an historic district for the education, pleasure, and welfare of the citizens.

In the year 2001, your Historic District Commission met nine times to review six applications, of which all were approved, and other business relating to the Commission's ordinance to "regulate the construction, alteration, painting, moving, demolition, or use of structures and places" within the district. In meeting our responsibilities, the Commission held special site visits and communicated with other Town committees.

The Commission cosponsored a reading of the Declaration of Independence July 4, 2001, in Jaffrey's Meeting House, followed by an Ice Cream Social at Melville Academy and a walking tour of the Historic District. The event was well received by Jaffrey's residents as well as many people attending from surrounding towns. We hope to make this an annual event.

The Historic District Commission has been working with T.E.A.M. Jaffrey, through a grant from the National Park Service and New Hampshire Division of Historical Resources, to nominate a portion of downtown Jaffrey as an Historic District and to list the district to the National Register of Historic Places. We anticipate a response from Washington, D.C., later this year.

Nancy Nelson was appointed to replace John Sanderson as the Commission's representative to the Meeting House Committee. The Commission extends appreciation to John for his years of service on the Meeting House Committee.

The Commission also extended appreciation to Nancy Lloyd for her years of service as a Commission member, and we welcomed Janet Grant as her replacement.

All residents are reminded that the Commission's regular monthly meeting is the first Thursday of each month beginning 7:00 p.m. (Winter in the Town Office Meeting Room, Summer in the Meeting House).

REPORT OF THE LIBRARY TRUSTEES

This year, the Jaffrey Public Library attained the goal of circulating more than 40,000 items. In fact, we checked out 41,136 books, videos, audio tapes, *etc.*, to all our loyal users. Now it's time to raise the bar again to 45,000! Due to a decrease in magazine usage, we have cut back the number of our magazine subscriptions and used the savings to expand our audio book and large print collections. Thanks to donations from the family of Helen Krause, we added a small collection of books on CD. These have proved popular, and we hope to add to this collection in 2002. Internet access continues to be popular, and usage continues to increase. We have two Internet access computers for the public, and they can be used for both research and e-mail. Thanks to the Millipore Foundation and the Millipore Corporation of Jaffrey, we also have two computers with Internet access that can be used for reference and research. This gift really supplements our limited print resources and enhances our ability to find the information you need. The New Hampshire State Library continued to provide us with free access to the ProQuest database. Through this resource, we can provide full-text articles from magazines and newspapers. Library card holders can also access ProQuest at home through the Internet by requesting a user name and password at the Library. We also have access, through the State, to First Search, a database that enables us to search for requested materials at libraries all over the country.

The Children's Department continues to be an active and highly visible asset to the community. Ninety-four programs were offered with 2,389 people attending — an average of 200 per month! Programs included preschool story times, toddler lap times, and story and activity sessions for school age children and cultural events for families. The Fantasy Book Club for grades 4 to 6 is still active and continues to meet monthly.

The Summer Reading Program had 165 children participating, reading 1,831 books for a grand total of 75,677 pages. "Octopi Your Mind ... Read!" was a great success, and the Children's Room was transformed into an underwater kingdom.

Community outreach continues as Headstart and other groups visit the Library. We encourage school classes to visit our facility, and students who are not residents of Jaffrey but attend school here are offered Library card privileges.

The Library is thankful for the many donations we have received during the year. The redecoration of the Bean Room was completed, thanks to the dedicated efforts of Bonnie Bennett and Laura Redmond. Millipore Corporation of Jaffrey and the Millipore Foundation were extremely generous, donating funds to upgrade and add computers to the adult department. In addition, their donations to the children's department purchased easy readers, read-along book sets, reference and nonfiction books, and enabled us to present two family programs. Many individuals also continued to support the Library by donating a book in the 4th annual "Adopt-a-Book" program.

In closing, we'd like to recognize the many people who make this library an important and helpful part of the community, our staff, our weekly volunteers, the Friends of the Library, and you — the people of Jaffrey. Thanks for your support!

REPORT OF THE MEETING HOUSE COMMITTEE

The Meeting House Committee advises the Town on matters pertaining to the use and maintenance of Jaffrey's historic Meeting House. During 2001, two members of the Committee retired — George Cox, who has served loyally for many years, and John Sanderson. They were replaced by Robert Stephenson, representing the Village Improvement Society (VIS), and Nancy Nelson, representing the Historic District Commission (HDC). Jeanne LaBrie earlier replaced Michael C. Barlick as the Selectmen's Representative.

The Meeting House served as a venue for many events between May and October — Amos Fortune Forum (seven meetings), Monadnock Music (two concerts), Conant High School's annual Shakespeare Festival, the annual First Church Fair, four weddings, and several meetings of the Historic District Commission. July 21, 2001, a free concert featuring Lisa McCormick was sponsored by Hampsey & Grenier Associates and Atlas Advanced Pyrotechnics, which resulted in donations to the Meeting House Trust Fund exceeding \$2,000. The Meeting House Committee, along with the Jaffrey Historical Society, the VIS, and the HDC, cosponsored a noontime reading of the Declaration of Independence on the 4th of July. The Meeting House was full, and the 36 volunteer readers did a marvelous job. This will be repeated in 2002, and all are invited to participate.

The Committee made a thorough inspection of the Meeting House in November — and will do so twice each year — and has developed a list of mostly minor repair and maintenance jobs for 2002. The only major work expected is the painting of the south façade as well as some touchup elsewhere. The lock will be rekeyed in the Spring, and numbered keys will be made available to those who need them. The main screen door will be rehung to bring it into compliance with the Building Code. (This past year, new lighted "Exit" signs were installed — also the result of code concerns.)

Because of fire concerns, a wholly new extension cord system was constructed to accommodate the Christmas window lights. George Cox remains in charge of putting up and taking down the lights, a task he has cheerfully done for many years. George is also the Town Clock Winder, and, although the tower clock has long been electrified, it nonetheless needs a surprising amount of attention. His protégé is now Charlie Marvin.

The calendar for next season is beginning to fill. Other than the usual events, four weddings have already been booked. These benefit the Town through rental fees.

REPORT OF THE MONADNOCK ADVISORY COMMISSION

Report to the Towns of Dublin, Fitzwilliam, Jaffrey, Marlborough, and Troy

The Monadnock Advisory Commission is charged by the State of New Hampshire under *Revised Statutes Annotated (RSA) 258:1* to advise and guide the Department of Resources and Economic Development (DRED) on the management of their lands and leased lands for the Society for the Protection of New Hampshire Forests (SPNHF) and the Town of Jaffrey. The lands are located on Mount Monadnock, Gap Mountain, and Little Monadnock Mountain (Rhododendron State Park).

The main focus of the Commission this year, as it was last year, is the creation of a new Master Plan for Monadnock State Park. A Steering Committee, composed of many members of the Advisory Commission as well as others from the surrounding towns, has been very busy, dedicated, and focused on delivering a plan that will maintain a level of vitality for Monadnock State Park and the entire region.

The future health of the park and the surrounding open lands rests in the hands of all who use the resources. Respect for the land is critical. Recognition of our role as stewards of the land is equally critical. To this end, the former Eaves property, located on the eastern slope of Mount Monadnock, a parcel of some 220 acres, was purchased by the Forest Society in late Spring. This acreage now fills in the gap that has long been outstanding in its relationship to surrounding conservation land, and it enhances a goal of contiguous open space.

Mount Monadnock is an historic source of inspiration and great memories, and it continues, as such, for the 132,000 people who visited this year. More importantly, the small and large mammal population, including moose, bear, bobcat, and deer, have staged a tremendous comeback to the area, due in part to the management practices of the SPNHF, the great work of the State Park Rangers, and more private land remaining open using conservation easements.

Citizens are encouraged to contact their commission members with suggestions and comments.

REPORT OF THE PLANNING BOARD

Of the 28 applications formally submitted to the Planning Board in 2001,

- 4 were not accepted for technical reasons
- 1 was withdrawn
- 6 were granted site plan approval
- 7 technical subdivisions were approved
- 7 minor subdivisions were approved
- 3 major subdivisions were approved

(Several of the applications has multiple components)

Recommendations from the Board to the voters at Town Meeting in March 2002 include a new wireless telecommunication ordinance (hence to be known as "Personal Wireless Service Facilities"), a change in setbacks for new/rebuilt buildings in the Main Street district, and the adoption of building codes for single-family residences.

In the late Winter/early Spring of 2002, the Planning Board, in cooperation with the Main Street Program and T.E.A.M. Jaffrey, the Economic Development Council, the Chamber of Commerce, and the Selectmen, will sponsor a "visioning" process for the downtown area of Jaffrey. We urge all interested townspeople to participate.

Again this year, I take the opportunity to thank the members of the Planning Board for their collective diligence and wisdom.

REPORT OF T.E.A.M. JAFFREY

T.E.A.M. Jaffrey completed our first (18-month) work plan in June 2001. With much excitement, T.E.A.M. volunteers embarked on our third-year work plan in the initial three-year commitment to the National Main Street Program. This is a very ambitious work plan that undertakes over \$130,000 in projects and activities in downtown Jaffrey through June 30, 2002. The four point committees of the Main Street program (Design, Economic Restructuring, Promotion, and Organization) began the task of completing these projects under the Mission of T.E.A.M. Jaffrey:

To enhance, revitalize, and aesthetically improve the downtown area of Jaffrey, New Hampshire; to promote tourism, support the existing commercial establishments, and encourage new business opportunities.

Under the current work plan, every \$1 of Town of Jaffrey funds invested in the Main Street Program has been matched by \$6.14 of public and private contributions for continuing projects and activities in the downtown Jaffrey Tax Increment Finance District (TIFD).

Jaffrey was again recognized as a National Certified Main Street Community in the year 2001. In May, Jaffrey received recognition at the New Hampshire Main Street Center Excellence on Main Street Awards in the following categories: Outstanding Board Member (Jeffrey Crocker), Outstanding Volunteer (Priscilla Palmer), Best Retail Event ("Trick or Treat on the Town"), Honorable Mention for Best Special Event ("Scarecrows on the Common"), and Honorable Mention for Best Public Improvements ("Downtown Planters and Plantings Program"). Two T.E.A.M. members attended the April National Town Meeting in Indianapolis, and four T.E.A.M. members traveled to Concord for the May New Hampshire Conference on Downtown. In September, the Board of Directors went on retreat for Long-term Strategic Planning (2002-2007), and they voted to continue in the Main Street Program.

The Design Committee has published suggested Downtown Design Guidelines, completed the Downtown Jaffrey national Register Historic District Nomination, awarded three sign grants and two façade improvement grants, and implemented the new distinctive downtown sign program. The Economic Restructuring Committee members oversaw publication of Jaffrey's Hospitality Brochure/Downtown Card and Calendar, worked to promote tourism, released survey results, and they are currently undertaking a feasibility study for reopening the Park Theater. The Promotion Committee unveiled an ambitious Merchant Promotional Calendar and brought the second "Scarecrows" and "Trick or Treat" events. The Organization Committee continues the recruiting volunteers, communications, fund raising, and they brought the first Jaffrey "Riverfest" to Downtown.

Since 1999, T.E.A.M. Jaffrey volunteers have worked over 27,000 hours on projects and activities to make downtown Jaffrey a better place to work, shop, live, and play. We are just getting started. In the year 2001, reinvestment statistics (obtained from building permits and tracking of private property and business improvements) show that every \$1 that Jaffrey invested in the Main Street Program was matched by \$190.02 in private and public improvement dollars for investment in Downtown Jaffrey's TIFD. Since 1999, there has been a net gain of 58 full- and part-time jobs and six new businesses (plus four expansions) in downtown Jaffrey.

The budget, work plan, and all T.E.A.M. Jaffrey meetings are open to the public Please join us!

REPORT OF THE ZONING BOARD OF ADJUSTMENT

In 2001, the Zoning Board of Adjustment received 31 applications resulting in the following decisions:

	<u>Approved</u>	<u>Denied</u>	<u>Withdrawn</u>
Administrative Appeal	0	0	0
Equitable Waiver	0	0	0
Special Exception	4	0	0
Variance	<u>23</u>	<u>4</u>	<u>0</u>
TOTALS	27	4	0

The Zoning Board of Adjustment hears appeals from any order, requirement, decision, or determination made by an administrative official, and we administer special provisions in the ordinance dealing with variances and special exceptions.

The Board meets the first Tuesday of each month when there are requests to be heard. Each applicant must provide the Town with a list of abutters so they can be notified of the hearing by certified mail. Prior to any scheduled hearing, a notice is printed in a local newspaper of general circulation. The public is welcome to attend Zoning Board of Adjustment meetings. Citizen input is encouraged and appreciated.

REPORT OF THE TOWN MANAGER

It is with pleasure that I am able to make my annual report to you with some good news on the water and wastewater projects. The news is that, due to the efforts of some people, including our Selectmen at the time (Michael Barlick, Jeanne LaBrie, and Dick Olson), Peter Davis (Economic Development Director), and Jes Alexant (Public Works Director), the Town of Jaffrey has secured its own \$1-million grant from the United States Environmental Protection Agency to assist us with our wastewater project. This came as a result of our lobbying Senator Smith's office for financial help with all that the federal and state governments have burdened us with over the past eight years. We also have approximately \$200,000 in direct grant money left over from our 1994 water project that we can use to explore and secure a third water source. This is good news!

The 2001 Town Meeting approved a bond to have a new bridge built across the Contoocook River at Pierce Crossing/Hadley Road. This project has gone through the design stages, and we should see construction of this bridge in 2002. The stone arch bridge will remain in place as an historical artifact. We will solicit ideas in the year to come on how it should be used and maintained. The new bridge will take out the sharp "Z" curve with which we are all so familiar. The Tax Increment Finance District (TIFD) that the Town approved for that area will pay for the bridge and perhaps other infrastructure projects in that area. The TIFD idea has worked out well in that these projects are paid for by the increase in the valuation of the properties through new construction and is not reflected in the tax rate.

Our departments are running well and are kept very busy with the active economy we have enjoyed. Building permits are at an all-time high, keeping our Building Inspector, Planning and Zoning Boards, and administrative personnel busy. Our Public Works Department was not fazed in the least by the heavy snow we received in February and March 2001. Our Library and Recreation Departments offer many quality programs to all residents of Jaffrey. Our Fire and Police Departments are staffed by dedicated personnel who respond to emergencies and nonemergencies with compassion and concern.

Like many communities across America, our emergency service personnel were ready to go to New York City to assist after September 11th. None were called, but they were ready to assist their fellow firefighters and police officers and their fellow Americans after that fateful day in September.

It is with pride — even more so this year — that I am able to say "Thanks" to all those who make Jaffrey a special place. The many volunteers who serve on Town boards and committees, the elected officials who put themselves out on the public firing line for better or worse, and the many dedicated Town employees who provide the services to you — the residents of Jaffrey. September 11th made us all stop and wonder and take blessings in our lives, our freedom, and our lifestyles that others have sacrificed their lives to give to us. The Jaffrey community was a comforting place to be that day.

I close with a note of sadness that was felt in August (and is still felt) through the passing of Lori Coffin, our Police Department's Administrative Assistant. Lori was pleasant, friendly, and a generous person, and she was committed to her job. She is missed by all who knew her.

REPORT OF THE FIRE DEPARTMENT

Jaffrey's Fire Department experienced another busy year in 2001; we responded to just under 200 emergency calls. Our call volume has remained about the same for the past three years:

Jaffrey Fire Department Calls for 2001

Motor Vehicle Accidents	39	20%
Fire Calls: Structure/Nonstructure	40	21%
Automatic Alarms	52	27%
Mutual Aid to Surrounding Communities	15	8%
Brush Fires	11	6%
Service Calls	28	15%
Hazardous Materials Incidents	8	4%

As expected, the Fire Station's truck bay heating system had to be replaced. Last year, we replaced one of the three hot air furnaces in the building; we replaced it with a boiler large enough to heat the entire building. We were able to add four unit heaters to this large boiler to heat the truck bay. This job was done by firefighters at a considerable savings to taxpayers.

Fire and Rescue apparatus are in good condition. However, our 1981 GMC tanker is starting to show its age. It will probably have to be replaced in the near future. This will cost well over \$200,000. For the past two years, we have not placed the usual \$25,000 into the capital reserve fund. We think this annual contribution must continue if we are to maintain high performance and safe fire apparatus. We have added Class "A" foam capabilities to our forestry unit and several new rescue tools to our rescue unit. They have proven very valuable.

In 2001, the Fire Department added four new firefighters to our roster — three of them are already certified Level One firefighters. They are working out very well. Our firefighters per call numbers are very good. However, we are still looking for a few good firefighters. Due to our training, equipment, and aggressive firefighting techniques, we were able to make several good fire stops in the past year.

The Fire Department has inspected most of the commercial property in Jaffrey. This includes apartment houses, factories, places of assembly, *etc.* This will continue, and all commercial property will be inspected at least once per year. We have found that many apartment houses do not comply with the State Fire Code or the Life/Safety Code. These codes are law. We are working with many of the owners to help them achieve compliance and to make their buildings safe. We also have many apartment houses that are fully compliant and very safe.

In 2001, Jaffrey's firefighters conducted a fund raiser to raise funds to purchase a Thermal Imaging Camera. Thanks to many citizens and businesses, the project was successful. The firefighters were able to purchase a Bullard thermal imaging camera and a smoke generator for about \$22,000. We have already used the camera during several emergencies. It has proven to be a very valuable tool. It should be noted that members of Jaffrey's Fire Department have raised and spent a considerable amount of money on fire and rescue equipment. This has meant a considerable savings for taxpayers.

We wish to convey a special "Thank You" to a group of D. D. Bean employees (Together for Charity). They have contributed a fairly large amount of money for the purchase of rescue equipment for this department.

We must again thank Jaffrey's firefighters for their exceptional service and dedication.

REPORT OF THE HEALTH OFFICER

The Health Officer responded to 83 calls in 2001. The breakdown is as follows:

Failed Septic Systems	6
Perc Tests Witnessed	52
Day Care Inspections	3
Foster Care Inspections	2
Water Tests at Beaches	4
Health Violations by Landlord or Tenant	2
Dog Bites	4
Cat Bites	3
Private Water Supply Complaint	1
Pickup Dead Bird to Test for West Nile Virus	2
Investigated Report of Unsanitary Living Conditions with Children Involved	1
Food Service Inspection	1

The Health Officer has been working with state and federal officials on two pollution problems in town — one has had all soil removed and replaced, and ground water monitoring wells are in place; the second problem is still being evaluated with cleanup expected to begin in Spring 2002.

REPORT OF THE OVERSEER OF PUBLIC WELFARE

I have remarked in this report before that the high cost of housing is the primary reason many people turn to the Town in need of help. The year 2001 has brought this problem into very clear focus. This year's total expenditure for shelter reached \$64,779, a figure greater than the total (\$53,064) for all assistance in 1996 — just five years ago. In fact, \$64,799 is 35% more than the \$47,867 spent just two years ago in 1999.

Why is the cost of housing so important? Follow through the budget for a family of four with one wage earner working 40 hours per week at \$10.00/hour:

40 hrs/week @ \$10.00/hr = gross pay \$400.00, less standard deductions for taxes and insurance, leaves net pay of \$320/week or \$1,280 take home each month.

Rent: Two-bedroom apartment with heat = \$550-\$600/month. This assumes that both children are of the same gender and, therefore, can share a bedroom. If not, a three-bedroom apartment, if one is available, is \$700-\$800/mo.

Food: The State of New Hampshire guidelines recommend that a family of four should spend approximately \$300/mo. For basic diet.

Utilities: This is basically electricity and usually in the \$25-to-\$30 range per month. Unless the hot water supply is electric — then the bill can range between \$50-\$75/mo.

So far, we've taken care of three major necessities: (1) shelter @ \$600/mo., (2) food @ \$300/mo., and (3) electricity with hot water @ \$75/mo. Subtract these amounts from the take home pay of \$1,280 and the remainder is \$305.00. From this balance, take out expenditures for transportation (not just gasoline, but car maintenance, repairs, registration, and insurance), doctor and prescription copays, clothing, and any of a hundred miscellaneous expenses in the course of a month, and we are at a zero or negative balance. Please notice the absence of telephone, cable TV, and, perhaps, sign up fees for one of the youth programs run by the Recreation Department.

It isn't hard to see that any loss of wages or sudden major expenses can throw this budget off course. Take out a week's pay and you're faced with having to make hard choices as to what to pay for and what to try and push off.

This is why we need more affordable housing. It is unrealistic to think that everyone has such tight control over both their finances and unexpected pitfalls. When they fail is when they turn to the Town for help.

The following is a list of all expenses by category by fund:

	Food	Shelter	Medical	Utility	Misc	Total
General Fund	\$1,177.24	\$49,975.28	\$11,869.37	\$6,038.45	\$291.50	\$69,351.84
Cilli Fund	\$0.00	\$1,507.00	\$9.99	\$516.77	\$0.00	\$2,033.76
Church Fund	\$0.00	\$0.00	\$0.00	\$563.44	\$0.00	\$563.44
Warren Fund	\$13.38	\$0.00	\$0.00	\$0.00	\$0.00	\$13.38
Conant Fund	\$0.00	\$0.00	\$0.00	\$0.00	\$0.00	\$0.00
Badger Fund	\$271.93	\$13,296.94	\$3,703.56	\$4,854.07	\$423.98	\$22,550.48
Totals	\$1,462.55	\$64,779.22	\$15,582.92	\$11,972.73	\$715.48	\$94,512.90

REPORT OF THE POLICE DEPARTMENT

This has been a very tragic year for all of us, especially for the members of the Jaffrey Police Department. We have lost one of our own — Lori Coffin, who died after a brief yet courageous battle with cancer. Lori Coffin made law enforcement her life work. She was the department's Desk Officer, and Lori was truly one of the "unsung" heroes of our agency. She had such a pleasant demeanor and was always very helpful to the public. Lori loved people, and she loved police work. She had a tremendous love for her community. She joined the Jaffrey Police Department in 1991 as a Dispatcher, and her job evolved to that of Office Manager. Her excellent administrative skills, her service to the public, and her just being a great human being will be very much missed. We also have another one of our members — Ray Bernier, who is presently waging the same battle against this dreaded disease.

Like you, we are all in a state of "suspended animation" about the terrorist attack of September 11th — an act that is especially poignant to police officers and other emergency personnel — an act that will forever change how we do police work. We do not know how all of this will eventually manifest itself over time. Governor Shaheen addressed our group of the New Hampshire Police Chiefs' Association and told us that "there is no play book written for where we are going!"

We, as your law enforcement agency, realize that we have to start doing things differently. This will require that we deploy our resources differently. It will require that we gather and assess intelligence differently. We will have to go into our community, and we have to know who is in our community. We have to engage the citizenry in a "positive way" and work very closely with all of you in problem solving and the gathering of intelligence. Community policing will have to be brought to new heights. We have to improve our interagency working relationships and communication. We have to develop "positive connections" within our community. We have to establish a mind set that "nothing will be impossible with respect to terrorism activity." We have to make sure that the conduit of information is "free and clear" from the community and to and from all agencies on the local, state, and federal levels. We have to also make sure that we continue to advocate very strongly for the civil rights of others.

We, the members of the Jaffrey Police Department, realize that the primary responsibility for the safety of our community falls on us — not the State Police, not the FBI or other federal agencies, but the Jaffrey Police Department.

Respectfully submitted,

Bob Pelio
Chief of Police

REPORT OF THE PUBLIC WORKS DEPARTMENT

Cemetery/Parks and Commons Division: The Town performed four full-body and ten cremation burials and maintained the Town's public spaces. Norm Chaiké retired at the end of 2001.

Highway Division: The Highway crew performed regular maintenance on over 64 miles of Town roads. Winter months in 2001 involved heavy amounts of snow compared with other years. A new pickup truck was purchased. A new box culvert under Amos Fortune Road was installed in conjunction with the Coburn Woods subdivision project. Road work was performed by the Town on the following roads:

- Nutting Road — reclaimed and paved 6,000 linear feet of roadway in conjunction with water line work;
- Tyler Hill Road — reclaimed and paved 1,100 linear feet of roadway;
- School Street — reclaimed and paved 900 linear feet of roadway;
- Gilmore Pond Road — reclaimed and paved 6,850 linear feet of roadway;
- Reclamation and paving was also performed on Short Street, Maple Avenue, Birch Street, Spruce Street, and Linden Street.

Solid Waste/Transfer/Recycling Division: 1,355 tons of solid waste and demolition debris was processed at the Town's Transfer Station — a 4% increase over 2000's quantity. The Town also processed a substantial amount of recyclable material. A household hazardous waste collection event was conducted.

Sewer Division: The Sewer crew maintained the sewer pipe system, five pump stations, and the aerated lagoon treatment plant. The Town's wastewater consultant (Wright-Pierce, Inc.) conducted a preliminary engineering study for upgrades to the wastewater management program to meet federal and state mandates. A new pump was installed in the Hadley Road pump station.

Water Division: An updated computer model of the water distribution pipe system was developed. The following approximate lengths of new water lines were installed:

- Nutting Road — 4,200 linear feet of new 12-inch-diameter pipe to replace the old line;
- Amos Fortune Road — 1,000 linear feet of new 12-inch-diameter water line;
- Through the new private Coburn Woods subdivision — 2,300 linear feet of new 12-inch-diameter water pipeline, installed by the developer (to be Town water lines).

The Town experienced fewer water line breaks than in past years. A new electronic control system was installed for the water pumps and other equipment. Meter replacement, back-flow preventer, and hydrant upgrade work continued. A preliminary engineering study to upgrade the water distribution lines within the Duval Cooperative Manufactured Home Park was conducted. Operational procedures were modified to compensate for the natural acidity of the Town's well water and to reduce the corrosion of copper from household plumbing. Steps were taken to continue the Town's efforts to procure additional water sources and to design further water line replacements.

REPORT OF THE RECREATION DEPARTMENT

How often do we wish for more time? Time to spend with your family and friends, to accomplish work at home, to volunteer in the community, or to just be alone. This past year, I think time became more precious for all of us. We all came to realize just how important time is and how quickly it can be taken away from us. We all seemed to take a look at how we live our lives, and many people have made an effort to make better use of our time. With this in mind, the Recreation Department has focused on providing a wide variety of programs and activities to give us the opportunity to spend our leisure time with those most special to us.

This past year, Ken Butler left us to move back home to Rhode Island. Ken is a special person and will be missed. Hank Dombroski, a recent graduate of Green Mountain College, replaces Ken as Program Director. Alan Morris, Kathy Batchelder, and Janet Sullivan remain as valuable team members.

Highlights and New Programs for 2001: January provided great snow for ski programs to Temple Mountain and Pat's Peak. We also offered ice skating lessons. In February, the *Disney on Ice* trip sold out. March was a busy month with a Celtic's game and Flower Show trips. In April, we started construction on a new garage at Humiston Field, offered a lifeguard class, swim lessons, Spring Break Camp, and our Easter event. In May, Kathy and Walt assisted with the American Heritage Tour for 8th graders. The summer saw band concerts, Baseball, AIM Camp, Basketball Camp, Soccer Camps, Sports and Adventure Camp, Family Days at Lake Contoocook, Rex Sox trips, John Morgan Run, swim lessons, and many other activities. The Fall was busy with the Haunted Hay Ride, window painting contest, Halloween party, and Fall soccer. The holidays were special with the Christmas tree lighting, Christmas Craft Fair, and letters to Santa.

What to Expect in 2002: We will continue to produce the quarterly brochure and distribute it through the school system. The garage at Humiston Field will be completed. Humiston Field will have some grass replacement, fencing repaired, and a new scoreboard outlet on the softball field. Contoocook Beach and Thorndike Pond will continue to be improved with new equipment. More trips will be offered to the *Ice Skating Stars on Ice* and additional sports trips. We will expand our Family Days at Contoocook Lake and begin offering open gym for youth on selected Friday nights.

I would personally like to thank each and every one of you who have volunteered this year, whether it's through our special Friends of Recreation group, coaching a sports team, hosting a trip, helping with a special event, or by just attending and being a part of our programs.

Thank you for sharing that special, valuable gift that can never be replaced — TIME.

Respectfully submitted,

Walt Pryor, CPRP
Recreation Director

REPORT OF THE REGIONAL PROSECUTOR

This past year was a time of significant change with the Regional Prosecutor program. In addition to Jaffrey, Peterborough, and Dublin, as of January 1, 2001, the Town of Rindge joined the consortium. Taking on Rindge, with a caseload anticipated as being as large as Jaffrey's or Peterborough's, required additional staff and a centralized administration.

Thanks to the co-operation of the four police departments and the constant coordination of my assistant, the administrative function has been effectively consolidated.

Although we lost the services of Holly Riutta as Legal Assistant, Lisa White-Perkins came on board in January and quite seamlessly took over the ever-increasing support function. In 2000, we handled approximately 1,200 cases. By the end of 2001, we anticipate to have disposed of approximately 1,600 cases on behalf of all four towns.

Finding a part-time Assistant Prosecuting Attorney has proved to be very difficult. In the meantime, we have enlisted the services of Officer Lou Chatel, Jr., of the New Ipswich Police Department to assist with prosecution. Lou has been his department's prosecutor for the past few years, and he is making a fine contribution.

It is anticipated we will move to the new courthouse in the early Spring. We look forward to that and to the opportunity to continue to serve law enforcement, victims of all kinds, and citizens of the several communities in the region.

Respectfully submitted,

David S. Park, Esquire
Regional Prosecutor

**INDEFINITE
DELEGATION
OF
AUTHORITY**

INDEFINITE DELEGATION OF AUTHORITY BY THE TOWN TO THE BOARD OF SELECTMEN AND THE LIBRARY TRUSTEES

Prior to 1999, a number of articles appeared on the Town Warrant each year delegating specific powers to the Board of Selectmen and the Library Trustees. These articles are usually referred to as "boilerplate articles." During the 1999 annual meeting, Jaffrey's citizens voted (Articles 32-38) to "authorize indefinitely, until specific rescission of such authority" the Selectmen and the Library Trustees to undertake various actions and, therefore, to no longer include these articles on future Town Meeting Warrants. The Town of Jaffrey now has seven such warrant articles, which are listed below for your reference:

1) ACCEPTANCE OF GRANTS

Shall the Town accept the provisions of New Hampshire *Revised Statutes Annotated (RSA) 31:95-b*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to apply for, accept, and expend without further action by the Town Meeting, unanticipated money from federal, state, or other governmental agencies or a private source that becomes available during the year?

2) ACCEPTANCE OF GRANTS BY LIBRARIES

Shall the Town accept the provisions of NH *RSA 202-A:4-c*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescission of such authority, the Library Trustees to apply for, accept, and expend without further action by the Town Meeting, unanticipated money from a federal, state, or other governmental unit or a private source that becomes available during the year?

3) TAX ANTICIPATION NOTES

Shall the Town accept the provisions of NH *RSA 33:7*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to issue tax anticipation notes?

4) ACCEPTANCE OF GIFTS, LEGACIES, AND DEVISES

Shall the Town accept the provisions of NH *RSA 31:19*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to accept on behalf of the Town gifts, legacies, and devises made to the Town in trust for any public purpose, as permitted by this statute?

5) ACCEPTANCE OF GIFTS OF PERSONAL PROPERTY

Shall the Town adopt the provisions of NH *RSA 31:95-e*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to accept gifts of personal property that may be offered to the Town for any public purpose? The Selectmen must hold a public hearing before accepting such a gift, and the acceptance shall not bind the Town to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of such equipment.

6) ACCEPTANCE OF GIFTS OF PERSONAL PROPERTY BY LIBRARIES

Shall the Town adopt the provisions of NH *RSA 202-A:4-d*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescission of such authority, the Library Trustees to accept gifts of personal property that may be offered to the Library for any purpose; provided, however, that no acceptance of personal property by the Library Trustees shall be deemed to bind the Town or the Library Trustees to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of such personal property?

7) TRANSFER OF TAX LIENS AND SALE OF TAX DEED PROPERTY

Shall the Town adopt the provisions of NH *RSA 80:80*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to dispose of property acquired by Tax Deed by either conveying said property back to its original owner(s) for consideration equal to all associated unpaid property taxes, interest, and expenses, or to sell said property at public auction, or to otherwise dispose of property as justice may require?
